

2018-19 Heritage High School Summer Reading List: **AP English Classes**

Part ONE: Over the summer, all students will read one required novel or play. This work will be studied during the first week(s) of class. Students should be prepared to participate in conversations, analysis, writing assignments and tests.

Part TWO: Every student should choose **TWO** selections from the appropriate class list below. During the first two weeks of school, everyone will be required to take tests over the works chosen. The tests will be during the first two weeks of school, even if the students have English second semester.

Part Three: There is **no MWDS** assignment this summer; instead, additional writing assignments are posted for you in the Google Classroom AP Summer Reading class for your grade. This is a required part of summer reading. Follow directions and submit the assignment in Google Classroom. **No handwritten assignments will be accepted.**

ATTENTION MOWR STUDENTS (dual enrollment): Summer reading is required in the event that you drop the dual enrollment class and join an Honors/AP class. You will not be exempt from the reading and testing requirements. You are expected to meet the deadlines for testing and assignment submissions. Failing to do so will result in a grade of zero for the tests and assignments.

11th GRADE AP LANG & COMP

SUMMER READING GOOGLE CLASSROOM **CLASS CODE:** nq2o9k
