

Catoosa County Schools: Heritage High School
Digital Learning Plan
Extended Closure

Device Distribution

Students should participate in digital learning while face to face classes are not being held. Students can use their chromebook or any device to access Google Classroom. Students will need internet access (wifi or cellular phone data) to complete assignments on Google Classroom. If you have issues with your device, contact our technical support through email (listed at the bottom of this page).

Delivery of Instruction & Monitoring of Student Learning

Teachers will use Google Classroom to post daily assignments for each class. Some highly specialized classes will require different delivery methods. Teachers sent home class work for students with these specialized classes. Contact teachers through email for questions regarding assignments.

- *Expect 30-45 minutes of work per school day for each class.*
- *Teachers will post daily assignments by 8:00 am in Google Classroom.*
- *Teachers will be available 8:30 am to 3:30 pm each school day to respond to students through email or Remind App.*
- *Student emails/communication will be answered as quickly as possible and definitely on the day that teachers receive them (if received during work hours).*
- *If any "live" lessons are conducted, they will be conducted during the normal class time.*

Supportive Services

Students Receiving Reading or Math Support:

Students who meet with Mrs. Stephens during lunch may continue to work through Reading Plus online.

Students with an IEP:

Contact your student's Case Manager through email. If you do not know your case manager, contact Dane Fehr at dfehr.hhs@catoosa.k12.ga.us

Students Involved with Extracurricular Activities:

All athletic and extracurricular activities are canceled from March 16-27th.

Request for School Counselor Services:

Contact school counselors through email during work hours, Monday through Friday, from 8:00 am until 3:30 pm.
