

Attention: Graduation Coordinator

Hello!

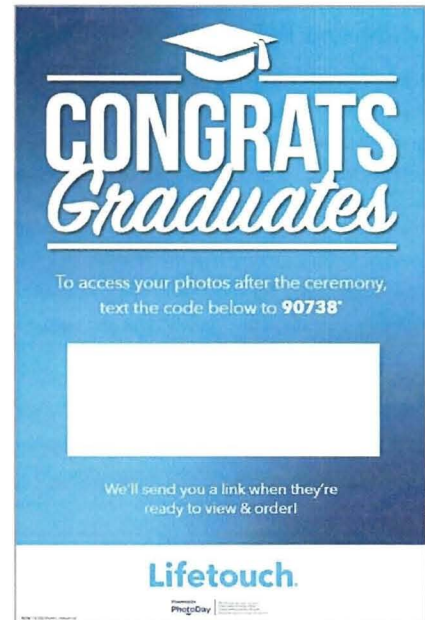

We're excited to finalize the details of your school's upcoming Graduation Ceremony!

To ensure your families can easily access and order their photos after the ceremony, please display these 4 posters on graduation day near high-traffic areas.

If the graduation ceremony is somewhere other than your school, remember to remove them at the conclusion of the ceremony.

We look forward to documenting this milestone through photography for your school, graduates, and their families!

If you have question, please do not hesitate to reach out to your Account Specialist.

Your PhotoDay Access Code is: 355649GY23
